 - b. Light pole chargers: CD4 approached Avo asking for help on where to place them. We need to discuss more about where to place them.
 - c. LA DASH-New Route for Van Nuys Studio City DASH: Gregory came up with ideas to promote it. He prefers to keep the old Moorpark route, because Ventura already has the 240 bus. We should promote it with leaflets in Apt buildings on Moorpark. Also we should have the route map at businesses along the route and at the Van Nuys Civic Center. We should have banners as well Also we need to stretch the route to go to Red Line Station on Lankershim Boulevard.
